The Parish Council

Nomination of Trustees

The parish rector will be a trustee by virtue of his office and no election is required in relation to his trusteeship. The parish trust deeds provide that nominations for trustees must be seconded and in hands of rector no later than seven days before the date of the meeting. Nominations and seconding must be done by a member of the church. This can mean any parish member regardless of whether or not they are eligible to participate in or vote at the meeting. Eligibility to vote for trustees, on the other hand, is quite clearly restricted to members eligible to vote at AGMs. Forms for the nomination of Trustees are available at the candle table.
